SALMON CHECK-IN PROGRAM (SCIP)
A VOLUNTARY PROGRAM
Please take your tagged salmon/grilse to one of the SCIP stations shown on Contributing Members listing or the Hatchery. Your fish will be weighed, measured and scale sample taken.

Please assist the DFO and the MSA in this important research.

Thank you for your help.

SOUTHWEST BRANCH
- late run fishery
- unscheduled from Creamery Bridge to Scotsville Bridge
- if fishing by canoe, watch for submerged remaining gaspereau traps and equipment.
